Mohammad Bilal Zakaria Al-Khawaja

محمد بلال زكريا الخواجة

Operations & Development Manager · Builder of QB business software

Working in restaurants and retail since 2015, I rose from entry-level worker to Operations & Development Manager. I work hands-on, spot where processes break down and design better ways to run them, often turning those solutions into software under the QB brand that saves time and reduces errors.

EXPERIENCE

Operations & Development Manager
Aug 2020 – Apr 2025

Juice Time · Badr Al-Wuhaib Ice Cream Est.

Career path: Worker → Preparation staff → Cashier → Branch manager → Two-branch manager → **Operations & Development Manager**

- Responsible for all aspects of the company's operations: running the branches, purchasing and training, and contributing to accounting.
- Redesigned preparation and branch processes to speed up service and increase capacity.
- Managed the call center, produced the brand's designs and helped source new suppliers.

40%	25%	75%	15
Purchasing efficiency	Less raw-material waste	Higher customer satisfaction	Employees trained

> *"We highly recommend Mohammad Bilal Zakaria Khawaja as an experienced and highly competent employee." — Experience certificate*

Receptionist, Cashier & Preparation
2019 – 2020

Frooz · Ice cream shop

- Welcomed and served customers, handled sales and payments at the point of sale, and prepared products to store standards.

Other work
Since 2015

- Shahba Al-Sham Grills, Beta Pastry Bakery, Duo Burger, Emdad Auto, Al-Mukramoon Domestic Pilgrims Services, and construction work.

QB SOFTWARE

QB-Sentinel: mobile app that replaces daily paper checklists in branches.

QB-FLOW: one platform for restaurant or company management and call center.

QB-Dine: digital menu, cashier screen and admin dashboard.

QB-Prax: digital kitchen display that reads Foodics receipts automatically.

QB-Ledg: tracks cash advances and settles them with ready-made reports.

QB-Nexa: car-finance deal profit calculator, used in a real showroom.

22 software projects, and a professional network of decision-makers at 225 organizations across 6 sectors in Saudi Arabia and abroad.
